

Product Name: CleanGuard De-ionised Water 5 Litres
Product Code: 71919
Filtered: .2 Micron Filtered
Synonyms: Aqua
Ingredient 1: Water >90%
Main Hazards: Non Significant Hazard
Skin Contact: No Symptoms
Eye Contact: No Symptoms
Ingestion: No Symptoms
Inhalation: No Symptoms

State: Liquid
Colour: Colourless
Odour: Odourless
Viscosity: Non-Viscous
Oxidising: Non Oxidising by EC Criteria
Evaporation Rate: Slow
Solubility in Water: Miscible in all Portions
Also Soluble In: Ethanol
Boiling Point Range: 100°C
Melting Point Range: 0°C
Relative Density: 1.0

Stability: Stable under Normal Conditions
Materials To Avoid: Sodium, Potassium
Hazard Symbols: No Significant Hazard

The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

Also Available in the CleanGuard Range: **IPA, IMS, Neutral Detergent, Presaturated Wipes (Tub & Pouch), Hand Scrubs and more.**
